

## Metal/plastic cartridge gun WS-25, Type: PISTOLE

### Order data

Order number	083486 PISTOLE
GTIN	4260205365939
Item class	08G

### Description

**Version:**

Cartridge gun made of a metal/plastic combination for high viscosity 2-component adhesives.

**Advantage:**

The solid design of this version generates increased pressure, so that thick or highly viscous products can be easily dosed.

**Suitable for:**

50 ml double cartridges (A, B, S system)

### Technical description

Material	Metal/plastic
Colour	red / black
