

# Value pack joint connection 6GP60

### **Order data**

Order number	GG8071 50
GTIN	4067263137320
Item class	GGN

# Description

#### **Version:**

When using joining as a production technique, two or more components are connected through positive contact. When using the adhesive, the full jointing face is used to establish a solid connection. It allows for high force transfer and dynamic loads (high shear strength). Type **6GP60.** For repair of worn areas and restoring correct fits. Large gap size suitable. Cured product can be machined by drilling, milling or grinding.

#### **Feature:**

Contents: 3 pieces

#### Note:

Clean the material to be worked on in advance with cleaner without hazard labels No. 088004.
