

Filter controller, Internal thread Ø: 1/2in

Order data

Order number	080011 1/2
GTIN	4047322686358
Item class	08A

Description

Version:

Service unit in modular series ("multifix" system), consisting of filter, pressure regulator and mist atomiser. Control range 0.5- 10 bar, operating pressure maximum 16 bar, operating temperature maximum 60 °C.

Filter controller with polycarbonate case and pressure gauge.

Advantage:

The service unit can be configured individually, e. g. with several pressure regulators, without oil atomiser (for oil-free tools) etc.

Application:

For systems in the pressure range up to 16 bar. Compatible with the products of CEJN, RECTUS and JW. L.

Technical description

Height (H)	248 mm
Internal thread Ø	G1/2 in
Type of product	Pressure regulator
