

Engineer's precision steel rule stainless, laser-engraved graduations, Length: 1500mm

Order data

Order number	461400 1500
GTIN	2050001951434
Item class	46R

Description

Version:

Of special **stainless** clock spring steel with ground measuring edges. Wide version. Upper and lower edges both with mm graduations. Very easy to read due to matt surface and sharp graduation scale.

Graduations deeply engraved by laser beam. **High-precision graduations.** Matt surface.

Particularly robust and wear resistant. **Individually tested and labelled with identification no.**

Technical description
