

### Hexagon key L-wrench, long Stainless steel (INOX), Hexagon: 2,5mm

#### Order data

|              |               |
|--------------|---------------|
| Order number | 627320 2,5    |
| GTIN         | 4013288111289 |
| Item class   | 63F           |

#### Description

##### Version:

L-form shaft; ball point can be applied up to an angle of **30°**.

Stainless steel, vacuum ice-hardened, **Hex-plus profile** prevents deformation of the screw head and transmits more torque.

#### Technical description

|                            |                       |
