Balancer, maximum towing capacity: 1,5kg

Order data

Order number	079295 1,5
GTIN	4014586835075
Item class	03F

Description

Version:
Balancer with automatic rewind for various ranges of weights, sturdy aluminium casing. The balancer takes the weight of the tool away from the user and thus significantly reduces the incidence of tiredness.
Shock-resistant plastic casing.
Balancers make power tools, especially heavy ones, both easier and safer to use.
· **“Weightless” equipment.**
· **Tidiness at the workplace.**
· **Equipment and tools within easy reach.**
· **Safety at the workplace due to suspension of equipment and leads.**
· **Equipment in clear view and in reach of the user.**
· **Weight compensation and thus balance can be maintained over the entire cord travel.**
Cable of nylon.
Description:
Balancer with a load capacity of up to 1.5 kg
Secure mounting of the device and supply line in a “weightless” state.
Feature:
· **Adjustable load capacity: 0.5–1.5 kg**
· **Default setting: 1 kg**

· **Max. cord travel: 0.9 m**
· **High-strength nylon cord; weight 0.35 kg**
