Hoffmann Group

Head office:

Bodenseestrasse 343
81249 Munich
Germany

Hoffmann Group management:

Executive Board of Hoffmann SE:
Iso Raunjak – CEO
Manfred Rosenberger – CFO

Business purpose:

Technical consulting and sale of quality tools, workstations and storage solutions, and personal protective equipment, as well as the provision of related services; manufacture of GARANT and HOLEX products and development of digital products, services, and manufacturing and automation solutions for industry.

Range:

More than 120,000 catalogue items from more than 500 leading brands in the areas of machining technology, clamping technology, measurement technology, grinding and cutting technology, hand tools, personal protective equipment, workshop equipment, and workstations and storage solutions; GARANT and HOLEX products make up a large proportion of the range.

Employees worldwide:

4,000, including more than 1,400 consultants

Turnover in 2025:

More than 1.4 billion euros

Digital manufacturing solutions and automation:

This offering supports small and medium-sized enterprises (SMEs) in the metalworking industry on their path to digital and automated production. It covers products and services for quality management, modular digital manufacturing solutions for engineering companies and automatic loading systems for machine tools. Workstations and storage solutions; GARANT and HOLEX products make up a large proportion of the range.

Delivery capability:

LogisticCity central warehouse in Nuremberg: the world's largest tooling logistics centre with a capacity of up to 40,000 parcels each day.
